During my term the City has been awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association for 24 consecutive years. In addition to fulfilling the Charter requirements of the City, I have served on financial committees at the request of City Managers and City Council members. I was a co-chairman of the Fiscal Sustainability Committee and a member of the Pension Task Force. Aside from my commitment to fiscally responsible financial matters for the City, I have been a supporter of various local sports and recreation programs including restarting the ARPD Summer Baseball Program (the T-Shirt League). My local Certified Public Accountant business has provided experienced tax and accounting services for over 25 years to individuals and families throughout the Bay Area. It would be an honor to earn your vote again and continue to serve as your City Auditor.
