Occupation: Alameda City Treasurer, Certified Financial Planner

My education and qualification are: I have served as your City Treasurer for the past 16 years. During my tenure the City has won multiple awards for both our investment policy and our budget presentations. In addition to executing the Charter role of the City Treasurer, I have served at the behest of City Managers and City Council members on important financial teams, most notably co-chairing the Fiscal Sustainability Committee and serving on the Pension Task Force. My family and I have lived in Alameda for 25 years. My business is in Alameda, and my wife was a teacher for the Alameda School District. As a Certified Financial Planner, I have been sharing my expertise with individuals and families for over 28 years to help them achieve their financial goals. I care deeply about the community, and I am proud to have served on boards and committees for many non-profit and charitable organizations in Alameda. I was a driving force in restarting the ARPD Summer Baseball Program (the T-Shirt League). My goal in serving the people of Alameda is to bring my expertise in financial matters to our government to ensure Alameda continues to be a great place to live, work and raise a family.
